RE: LOGAN v. GARLAND, et al.
Index No. 3:24-cv-00040 (ZNQ TJB)

Dear Judge Quraishi:

I am the Plaintiff in the above-entitled action, *Pro-Se*. On October 24, 2024, ECF Doc. 119-4863 which cited the highest concern for national security and the utmost integrity to the Federally Protected Election Infrastructure. Advancing the foregoing, ECF Doc. 110-4581, was sent on September 19, 2024.

Before the Honorable Court on October 7, 2024, through the represented pleading, the Court was scheduled to hear Plaintiff's plea of Injunctive Relief with Permanent Restraining Order. The Plaintiff sought final entry of this communication for the Honorable Court's emergent consideration in that regard. At the time of this writing, Plaintiff has not received benefit of reply as to the Honorable Court's consideration.

Accordingly, as stated in all previous communications concerning this matter, Plaintiff's fervent research has continued, heightened in urgency citing the three assassination attempts made on the Presidential candidate, Donald John Trump. Plaintiff presents facts with supporting evidence to move this Honorable Court to immediate action, citing the existential threat to the United States of America, the Presidential candidate, and the inexplicably tied sovereign federally protected election infrastructure; Plaintiff makes demand of the Honorable Court to be heard at once. As the FBI and the DHS has continued their dereliction in the safety of the candidate, Donald J. Trump, Plaintiff presents facts in evidence herein regarding the assassination attempts made, each claim sourced and forensically analyzed among the broader evidence and findings.

Plaintiff has now confirmed through appreciative open-sourced findings that MERRICK GARLAND, LLOYD AUSTIN, WILLIAM J. BURNS, CHRISTOPHER A. WRAY, DENIS MCDONOUGH, ALEJANDRO MAYORKAS, MARCIA FUDGE, ROBERT CALIFF, WILLIAM J. CLINTON, HILLARY R. CLINTON, THOMAS KEAN SR., ROBERT MUELLER, JAMES COMEY, RICHARD "DICK" CHENEY, ELIZABETH "LIZ" CHENEY, JOHN KERRY, GEORGE

W. BUSH, BARACK HUSSEIN OBAMA, LORETTA LYNCH, JAMES BAKER, ERIC HOLDER, JOSEPH R. BIDEN, JOHN ASHCROFT, JAIME GORELICK, NANCY PELOSI, GEORGE NORCROSS, KATHY HOCHUL, ANDREW CUOMO, LETITIA JAMES, SUSAN RICE, ADAM SCHIFF, CHARLES “CHUCK” SCHUMER, XAVIER BECERRA, JANET YELLEN, ROD ROSENSTEIN, HUMA ABEDIN, DEBBIE WASSERMAN SCHULTZ, BILL NELSON, OCCIDENTAL PETROLEUM, UNITED HEALTHCARE, the DEMOCRATIC NATIONAL COMMITTEE, the REPUBLICAN NATIONAL COMMITTEE, DEBBIE WASSERMAN SCHULTZ; JAMES PITTINGER, LISA SELLA; CHRISTOPHER J. CHRISTIE, PHILIP D. MURPHY, TAHESHA WAY, JUDITH PERSICHILLI, SEJAL HATHI, MATTHEW PLATKIN and ROBERT JUNGE, hereinafter referred to as “inclusive Defendants.”

Plaintiff made application to the Honorable Court to include LISA MONACO, MICROSOFT, BILL GATES, WARREN BUFFETT, MIKE PENCE, CRESCENT CAPITAL, KAMALA HARRIS, MITT ROMNEY, HARVARD ENDOWMENT, JEREMY B. BASH, DICK DURBIN, GAVIN NEWSOM, GRANT VERSTANDIG, GRETCHEN WHITMER, the UNITED NATIONS as co-colluders who overtly labored in collective action to exact a predetermined outcome at the expense of Plaintiffs’ sovereign Rights, the Executive Branch disenfranchised the lawful Executive, Donald John Trump, affirmed on January 20, 2021, fraudulently.

Plaintiff states that the Federal elections of 1976; 1980; 1984; 1988; 1992; 1996; 2000; 2004; 2008; 2012; 2016 and 2020 were unlawfully held, manifest of wanton Executive and legislative actions to aid and abet the facilitation of conspiracy to defraud the United States. The subject wanton actions taken by foreign persons, never having registered under the Alien Registration Law, 8 U.S.C.A. § 451 et seq., 18 U.S.C.A. § 9 et seq., who in the company of sympathizers, herein named as inclusive Defendants, took unlawful action by capacity attained through deceit, craft or trickery, expressly exceeding the threshold of mere dishonesty.

Through the unlawful securing of capacity and authority of the Executive Branch of these United States, JIMMY CARTER, GEORGE H. W. BUSH (dec), WILLIAM J. CLINTON, BARACK HUSSEIN OBAMA, and GEORGE W. BUSH moved illicit Acts, Executive Orders and Legislative action buttressed by co-conspirators, herein named, equally culpable and unlawfully holding capacity in the Legislative Branch. The cumulative Acts, Executive Orders and Legislative actions associated with the aim of disfiguring, disenfranchising and usurping the unalienable Rights of the People; the Cardinal Moral Truths

that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness – that to Secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed.

Plaintiff states with specificity, the “Governments instituted” by the herein named foreign persons, the inclusive Defendants, voided all consents through deceit, craft or trickery, expressly exceeding the threshold of mere dishonesty. Citing the moral turpitude underpinning the collective actions of conspiracy against these United States holding hostage of the Executive Powers, unlawfully secured through the aforesaid trickery and deceit. Consent of the People, but for the deceitful contrivance, would otherwise have been withheld in all cases.

The emergence of Bank of Credit and Commerce International (“BCCI”) within the United States are alleged to have commenced in 1976 correlating directly with Executive Branch occupation by JIMMY CARTER. Immediately upon usurping the Executive Branch, hostile acts intent of a broadly fabricated scheme to defraud immediately moved unlawful Executive authority under the Presidential Reorganization Project (“PRP”). The Plaintiff states the longevity of turpitude by foreign holding persons, including Harry S. Truman, Lyndon Baines Johnson, and with some variation to revert actions, that of Richard M. Nixon, each such Executive having sought consent of Congress of similar restructuring as to the PRP. The Constitution and 3-Branch design of checks and balances augmented by trickery within the PRP, the Reorganization Act of 1977 moved through the legislative process, from which the Department of Energy (1977) and the Department of Education (1979) were created.

Once the PRP adjustment were confirmed by Congress, CARTER created the Carter Center (est. 1982), buffering the Executive Branch following his departure from the hostage siege of the Executive Branch in 1981. From 1982, the Carter Center colluded in the company of the UNITED NATIONS in unlawful usurpations, each action malevolent to the laws of these United States and the Cardinal Moral Truths, held by the People. The actions under the Carter Center, as below, implemented by the former CIA Director, the unlawfully seated foreign subversive, George H. W. Bush (“Bush 1”), as below. Plaintiff notes that while serving as the CIA Director, Bush 1 was privy to Operation Paperclip and the movement of each placed foreign operative so associated, in government, industry and University/Academic venue placement. The foregoing statement is evidence by the BCCI investigative record (see footnote 1), confirming the BCCI geopolitical triangulation intent of undermining the Executive authority held by Ronald Reagan.

Plaintiff provides detailed articulation specific to the central thesis, those unalienable Rights so sacredly held, the autonomous voice expressed by sovereign vote which speak for the Plaintiff in *choice*, informed selection and entry of consent to lead the United States holding all trust of Constitutional authority. In each case as to the foregoing parties, all holding foreign allegiance, Plaintiff’s choice, and consent which follows was coopted, subverted and seized.

As courtesy to the Honorable Court, Plaintiff presents the material with strict focus on the central thesis; however, the surrounding facts, decisions and facts, regarding Camp David Accords, the Panama Canal Treaties, Strategic Arms negotiations, the U.S. Department of Energy, Iran hostage negotiations, Cold War – détente and the grain embargo against the Soviets, the Olympics, etc. In each and every case, the malignancy of BCCI, foreign encroachment, was central and in some cases physically present by foreign designees.¹ The geopolitical and United States national security repercussions resulting from the foregoing knowing actions to subvert the interests of these United States cannot be understated nor refuted, subject of the BCCI Investigative record, Congressional annuls and Presidential papers held by the National Archives.

¹ See ECF, Doc. 45-1, P.266. “BCCI, former CIA officials, including former CIA director Richard Helms and the late William Casey; former and current foreign intelligence officials, including Kamal Adham and Abdul Raouf Khalil; and principal foreign agents of the U.S., such as Adnan Khashoggi and Manucher Ghorbanifar, float in and out of BCCI at critical times in its history, and participate simultaneously in the making of key episodes in U.S. foreign policy, ranging from the Camp David peace talks to the arming of Iran as part of the Iran/Contra affair.”

On behalf and in the interest of foreign nation-states and entities, the Carter Center conducted federal election fraud encroaching on local elections, commencing in Georgia, thereafter across the United States, breaching the sovereign protections affirmed by the Constitution and the wall of separation between the Federal government and local, citizen volunteer managed elections. Carter appointed Paige Alexander at the inception of the Carter Center.

Ms. Alexander left the organization working for various NGO's including one which she formed, IREX. The primary funding source for IREX is the Open Society, George Soros, with whom Ms. Alexander worked as a consultant in Prague. The former role extended to an appointment as associate director of Project Liberty at Harvard University's John F. Kennedy School of Government. Presently, Ms. Alexander serves as the CEO of the Carter Center. The foregoing history record confirms and further evidences the Plaintiff's claims of harm, the stated parties, entities and University directly responsible for the inclusive unlawful usurpations.

Ms. Alexander held a principal responsibility of), served as the USAID liaison (1993-2001), the same time period in which Marc Rich, HILLARY R. CLINTON, WILLIAM J. CLINTON and the Clinton Foundation participated in and benefited from the fraudulent activities under the USAID "Oil for Food" program, the indictment and investigation a matter of DOJ record, affirming the UNITED NATIONS opaque but knowing hands in the criminal operation. The vulnerable people internationally that the DEMOCRAT NATIONAL PARTY has amassed the vast expanse of federal budget to aid, had nothing to do with the actual delivery of services, as the investigation disclosed, instead it had everything to do with monetary fraud, lining their own pockets and a gross breach of public trust. These Oil for Food manipulations and human abuses attach back to BNP Paribas, the sole bank handling funds transfers for the Oil-for-Food Programme was the New York branch of the Banque Nationale de Paris-Paribas, or BNP Paribas (Source: Oil for Food Investigative record). Plaintiff restates the claims against Defendant, JOSEPH R. BIDEN, a principal facilitator to fraud in the company of the UNITED NATIONS, inculcating his son, Hunter Biden through Burisma.

George H.W. Bush appointed as the REPUBLICAN NATIONAL COMMITTEE Chair in 1972 positioned to segway foreign infiltrators into the Republican Party, both those affiliated with BCCI as well Operation Paperclip. Bush 1 was prominently positioned at the time of Watergate as RNC Chair, and encouraged Nixon to resign in lieu of challenging the allegations made against him.

In the case of Iran-Contra, noting the subject and operation is referenced in the BCCI investigative record 33 times/540 pages with direct CIA attachment including current and former U.S. Intelligence officials, not identified with undisclosed correlating intelligence records.²

The history of imposition on United States policy, foreign and domestic, by JIMMY CARTER by way of the Carter Center, in collaboration with MIT, Emory University, and Defendant, JAMES

² ECF Doc. 45-1 P.256. "Outside the documentary record provided to the Subcommittee by the CIA, there is additional material, consisting of BCCI documents, testimony from BCCI officials and insiders, and extrinsic, circumstantial and historic information describing other substantial contacts between BCCI and the intelligence community. These include contacts between BCCI and:

** former U.S. intelligence officials, including a former head of the CIA;

** former and current foreign intelligence officials; and

** individuals engaged in covert operations on behalf of the United States government, including in the Iran/Contra affair.

BAKER under the Baker Institute at Rice University informs the collective embodiment, working in collaboration as a larger web of actors all holding foreign allegiance. Designed as “think tank” model, these entities were directing policy apart from the interests of these United States. The think tanks were chaired or led by principal within the monetary mapping of BCCI to which the elected body was beholden, a triangulation of leverage.

Plaintiff states by example, Edward Peter Djerejian, formerly an Ambassador to Syria (1988-1991) and Israel (1993-1994), Special Assistant to Ronald Reagan and Deputy Press Secretary of Foreign Affairs (1985-1986), Assistant Secretary of State for Near Eastern Affairs, (1991 -1993), founding director of Rice University’s Baker Institute for Public Policy (1994-2022), fellow at the Middle East Initiative at Harvard Kennedy School’s Belfer Center for Science and International Affairs, a fellow of the American Academy of Arts and Sciences and a Trustee of the Carnegie Corporation, elected as Chairman of Occidental Petroleum Corporation (2013-2015). The cross-pollination between the central characters to broaden fraudulent action is consistent among the foregoing examples, including Carnegie Corporation, Harvard and Defendant, OCCIDENTAL PETROLEUM. Djerejian would be replaced at Occidental Petroleum with Eugene Batchelder, formerly of ConocoPhillips, which in 2012 contracted with BNP Paribas to divest all onshore and offshore assets in Nigeria (2012), having operated in Nigeria for 46-years, the history of Conoco reaches as far back as Standard Oil.

Using the think tanks the foreign holding persons moved in and among collegiate environments, it followed the collective acted in tandem with foreign operatives within the governmental 3-branches, collegiate venues, think tanks and corporate affiliates – one cohesive school of fish; each holding no allegiance to these United States or to the People, holding capacity captive until such time as *they* deemed the United States no longer relevant to their interests.

Applying for the foregoing, Plaintiff presents interface between the Carter Center, BCCI, the UNITED NATIONS and Defendant, WILLIAM J. CLINTON. In 1992, under the Council of Freely Elected Heads of Government, Chaired by Carter, election observations in Latin America and the Caribbean took place with specific reporting instruction built on autonomous framework drafted by the Carter Center. The project was funded in part by the Gerald R. Ford Foundation, among others. The election observers completed surveys were later catalogued and iterated in report (EXHIBIT 1). The reports were authored by the Council of Freely Elected Heads of Government. The projects were alleged to be designed under the auspices of expanding democracy.

From November 2 through November 4, 1992, a diverse group of Mexican political officials, academics, political analysts, and grass-roots organizers observed the pre-election and voting process in the U.S. presidential elections in Georgia. The observations were share in public forum by Carter and Canadian Prime Minister, Pierre Elliott Trudeau, provided in EXHIBIT 1, attached.

Arizona Secure, Fair and Safe Elections – Arizona Democracy Resilience Network, Florida Sunshine 100, Georgia Democracy Resilience Network, Michigan DVC Resilience, North Carolina, Fair, Safe & Secure Elections, and Wisconsin Alliance for Civic Trust. The initial Report dated November, 1992, confirms that members of an autonomous delegation from Mexico and other nation-states were brought to Georgia to observe the elections (1992), coordinated with the assistance of Emory University. The Carter Center used the Charter of the UNITED NATIONS as a buffer – “in the

spirit of honoring free elections in a nation without a voice” to secure their access, a subsequent form of trickery (Source: Carter Center Report Nov., 1992).

Defendant, WILLIAM J. CLINTON unlawfully executed the National Voter Registration Act of 1993 (NVRA), also known as the Motor Voter Act, on May 20, 1993, that went into effect on January 1, 1995. Unlawfully enacted under the Elections Clause of the United States Constitution and advances voting rights in the United States by requiring state governments to offer simplified voter registration processes for any eligible person who applies for or renews a driver's license or applies for public assistance, and requiring the United States Postal Service to mail election materials of a state as if the state is a nonprofit. The law requires states to register applicants that use a federal voter registration form, and prohibits states from removing registered voters from the voter rolls unless certain criteria are met. .

The Motor Voter Act exempts from its requirements States that have continuously since August 1, 1994 not required voter registration for federal elections or offered election day registration (EDR) for federal general elections. Six states qualify for the exemption: North Dakota, which does not require registration, and Idaho, Minnesota, New Hampshire, Wisconsin and Wyoming because of the EDR exemption. While some have recently asserted that Maine lost the exemption when it abolished EDR in 2011 (which it subsequently restored), Maine has never considered itself exempt from the act.

The National Voter Registration Act of 1993 (NVRA) is alleged by design to aid the public and state level for all registered voters with disabilities. The Help America Vote Act of 2002 outlines that all federally funded elections must provide at least one form of accessibility voting for all people with disabilities.

Plaintiff states that the comprehensive actions, inclusive of the Georgia election observations, the resulting Carter/Baker report and the National Voter Registration Act of 1993 were an unlawful ruse to secure access to the locally managed voter registration databases. Moreover, the foregoing actions were contrived by persons and entities holding undisclosed allegiances to BCCI and foreign nation-states, apart from these United States, inclusive of the unlawfully seated Executive, WILLIAM J. CLINTON. To manifest fully automated elections, end to end, in 2004, computerized infrastructure was introduced with streamlining across States, leaving options for software including ES&S, HARTInterCivic and Dominion which run through Microsoft Azure, the latter the constant presence in all election venues, the former contracted by the Governor's offices.

Analysis sourced from the Carter Center, confirmed by secondary sourcing states that until 2004 (approx.) full access to the locally managed voter registration databases within the United States were restricted or otherwise inaccessible.

The facts provide that National Voter Registration Act of 1993 was surreptitiously and unlawfully drafted by foreign holding operatives of BCCI, having illegitimately secured the Executive capacity with the sole intent to commence dismantling these United States from within. The actions were informed by the Carter Center in collaboration with the broader body of foreign holding actors, as above, extending to include all funding associated. To the exact the duplicitous desired outcome, access to the locally managed voter registration databases within the United States which were

restricted or otherwise inaccessible, the Carter Center and Baker Institute issued a report of the collective findings, deceptively presenting the project under the auspices of problem solving specific to the “key problem is the lack of voter-registration databases that are interoperable, one with the other, between States. Another problem is the lack of an adequate system to insure proper voter identification.”

The poisonous tree – the unlawful Executive Action, deceitfully stole the sovereign voice of the People, sacred and unalienable, redirecting it to the States under the 10th Amendment which today under cybersecurity fabrication by the inclusive Defendants, the final thread remaining – the wall of separation between unlawfully secured federal imposition on the sovereign Rights of the People, local citizen managed elections from end to end, will irrevocably be fully controlled by foreign actors, holding allegiance to BCCI. As the foreign interlopers have inculcated themselves into every facet of government, the recourse to these actions is constrained, all manner of contortion has been codified with legal precedent fortified by 3rd party co-colluders.

Microsoft formed the footing of the electronic infrastructure of the elections (2004/2005), as above. HAVA was enacted by George W. Bush, a BCCI foreign holding subversive, in 2002, New Jersey is the only outlier by formal consent agreement. HAVA, Sect. 241 (3), “maintaining secure and accurate lists of registered voters (including the establishment of a centralized, interactive, statewide voter registration list linked to relevant agencies and all polling sites), and ensuring that registered voters appear on the voter registration list at the appropriate polling site. The foregoing attaches back to the Voter Registration Act of 1993, correlating back to the Carter Center and BCCI, both foreign holding.

1. Microsoft, Redmond, WA (PRIMARY) formed the Arizona Foreign affiliate October 29, 1993. The foreign registration transfer attaches to the Carter model above, through affiliates, Arizona Secure, Fair and Safe Elections – Arizona Democracy Resilience Network, having hosted foreign parties into local elections and collaborated with the Carter Center apart from the People’s consent, orchestrated and fabricated to exact a predetermined outcome as stated above.
2. Microsoft, Redmond, WA (PRIMARY) formed the Florida Foreign affiliate April 6, 1995. . The foreign registration transfer attaches to the Carter model above, through affiliates, Sunshine 100, having hosted foreign parties into local elections and collaborated with the Carter Center apart from the People’s consent, orchestrated and fabricated to exact a predetermined outcome, aided and abetted by Jeb Bush, a foreign holding party.
3. Microsoft (NV, Domestic Corp, formed (07/08/1998), merged July 13, 2011 with Microsoft Asia Ltd.) Plaintiff confirms that BCCI investigative record which correlates to Indonesia as principal affiliate of BCCI.

The Plaintiff states, the egregious nature of the duplicitous trickery reaches back into the Carter Center, UNITED NATIONS, the inclusive Defendants and key funders; who applied the model of democracy under election study in foreign nation-states. These foreign holding subversives conducted and facilitated human abuses including human trafficking. The trickery, deceit and fraud is two-fold, orating democracy the claims formed within those Rights affirmed by the Constitution, the

Bill of Rights and the Declaration of Independence while taking wanton actions towards dismemberment of same.

The foregoing claims are weighted when data and associated dates are cross-pollinated. SEC. 209. LIMITATION ON RULEMAKING AUTHORITY. The Commission shall not have any authority to issue any rule, promulgate any regulation, or take any other action which imposes any requirement on any State or unit of local government, except to the extent permitted under section 9(a) of the National Voter Registration Act of 1993 (42 U.S.C. 1973gg-7(a)) (source: Congress.gov). Without the unlawful actions herein stated, the foreign subversive parties holding allegiances apart from the United States, would have been unable to secure their ends of placing these United States in the precarious position which it today finds itself. The wanton acts of broad election manipulations inclusive of the unlawful trespass, violations of election interference under Title 18 § 245 (1)(A); Title 18 § 245(a)(1), the inclusive Defendants have by force and threat with willful injury, intimidation and interference.

The inclusive Defendants continue in their gross manifesto with the aid of legal counsel, co-colluders of the same subversive character. The foregoing parties have accessed the Judiciary under pretense of the public interest which has resulted in precedent fortifying the foregoing actions against the American People. Plaintiff restates claim of Civil Rights violations under Article 1, Section 4, cl. 1 by the inclusive Defendants.

The assassination attempts made on the Federal candidate, Donald John Trump, Plaintiff presents autonomous findings citing the escalating risk of bodily harm presently extending to the Trump family. This analysis was completed based on the continuum of dereliction by the FBI and DHS inclusive of Defendants, ALEJANDRO MAYORKAS in collaboration with MERRICK GARLAND, JOSEPH R. BIDEN and KAMALA HARRIS.

Plaintiff states that the analysis draws to the perpetrators' name in direct correlations to the Nikola Tesla Intellectual Property, Professor Crookes which mirrors the name of the perpetrator having attempted to take the life of Donald John Trump and successfully murdered Corey Comparatore, honorably covering his family having served Buffalo Township, Pennsylvania valiantly as a firefighter. The date of that tragic event, July 13, 2024, coincides directly with the day that MICROSOFT filed for foreign registration as MICROSOFT ASIA LTD. The opaque hands of resonant frequency which moved the perpetrator to action holds every knowledge disclosed to the Honorable Court by God's hand through the Plaintiff as to plagiarism of the Nikola Tesla IP records, his alternating current work product on display in Buffalo, New York, November 16, 1869.

Plaintiff restates the insurance policy of the inclusive Defendants with specificity to KAMALA HARRIS, her spouses avocational history with DLA Piper, a coalescing interface with BCCI affiliates including James Gorman, recently appointed to Disney, former director of the Federal Reserve Bank of New York, McKinsey, Morgan Stanley and DLA Piper, as stated above. This cross-pollination of forensic data confirms Plaintiff's previous claims as iterated below.

The DEMOCRAT NATIONAL COMMITTEE, JOSEPH R. BIDEN, KAMALA HARRIS, WARREN BUFFETT, MICROSOFT, BILL GATES collectively colluded with VIVEK RAMASWAMY, JD VANCE, USHA VANCE and ELON MUSK, each party shares direct affiliation

through Palantir with MICROSOFT including fiscal attachment, investments and private business endeavors. MICROSOFT is the only venue who repeatedly accessed the Plaintiff's computer, in many cases with it malfunctioning, documents disappearing and transferring to "C" drive access, noting that all Plaintiff records and repository are stored apart from the physical computer. The knowledge regarding Crookes and Buffalo discloses that Plaintiff's claims regarding resonant frequency manipulation by MICROSOFT is absolutely true. Further, the unlawful FBI raid on Mar-A-Logo had everything to do with the Tesla IP material. Plaintiff notes that her autonomous research has disclosed facts exceeding those presented to the Honorable Court, for which MICROSOFT, the foreign holding inclusive Defendants in the company of the BCCI foreign nation-states, Iran among them, so too hold leverage.

The foreign actors and affiliates extending to include Bill Gates Sr. under the BCCI structure and in the company of the inclusive Defendants with specificity to NANCY PELOSI, had every knowledge that Jackie Kennedy Onassis was involved in the assassination of her husband, President John F. Kennedy. The Plaintiff believes correlating records may have been sought in the above regard by way of the unlawful open-ended search warrant at Mar-A-Lago.

Two parallel theories result from the inclusive findings, either Melania Trump was involved in the assassination attempt or Donald John Trump was stolen from us and an actor is representing his persona. To be quite clear, the thought of either of the foregoing statements being true wrenches Plaintiff's heart. Should the foregoing be true and factual, in either case, the Nation and her People should mourn the tragedy, a gift of a man who sought nothing but that which was honorable for this Country was betrayed for Title that holds little merit by from God who designates it capacity over His Dominion of Trust. Walking through the truth, Plaintiff asserts, DONALD JOHN TRUMP honorable in all respects, prayer that Plaintiff intuitive analysis is not right in this regard.

Citing the whole of the inclusive findings, the Federally Protected Election Infrastructure is controlled by foreign subversives, their affiliates including MICROSOFT, Dominion, HARTIntercivic, ES&S, etc., are party to and investment with the BCCI structure; each putting an emphasis on money over humanity. Plaintiff states that, in fact, they have lost both as the wealth which they covet owns them and their carnivorous nature draws them farther from God who seeks them, despite their actions, His Createds; resolving that final Judgment belongs to Him. However, the Plaintiff will seek full numeration of harms, the Trust of the People as determined by a Jury of peers, rightly.

Plaintiff will seek to add Vivek Ramaswamy, JD Vance, Elon Musk and Usha Vance as named Defendants, their consent to actions for capacity over humanity, reprehensible.

BCCI has consumed the lions share of the United States economy, business partners – family to those who respect Contract law, real property, etc. Plaintiff will be providing Notice to the New York Times tomorrow for those Defendants having subverted service of the Summons/Complaint including, JAMES COMEY, SUSAN RICE, RICHARD CHENEY, LIZ CHENEY, BARACK HUSSEIN OBAMA, ERIC HOLDER, OCCIDENTAL PETROLEUM AND JAMES BAKER. Affidavits completed for all other inclusive Defendants having been served, absent those pending consent of the Honorable Court. Plaintiff will seek that the inclusive Defendants be detained apart

from personal attacks that Justice be served, less anyone attempt the atrocities taken against DONALD JOHN TRUMP – A TRIAL THEY SHALL HAVE FOR THEIR CRIMES.

The facts irrefutably state that the inclusive Defendants have long planned a rebellious scheme of insurrection among foreign subversive actors who have effectuated weaponizing the government of the United States against its People, the candidacy and Presidency of Donald John Trump while actively participating in murder for hire manifest of resonant frequency, solely controlled by their subversive hands and minds. All and inclusive statements, criminal claims of action by the inclusive Defendants and harms restated herein, as a sovereign citizen, holding Title by Certificate, born in Fulton, New York, Plaintiff Mary Basile Logan, hereby calls on the Honorable Court to appoint her guardian of these United States, inclusive of all Trusts so associated. The Plaintiff respectfully demands voice before the Honorable Court to stay the forthcoming election of November 5, 2024, ensuring that all electronic equipment be eradicated from the People's sovereign Federally Protected Election Infrastructure, that sovereign citizens of these United States only present required Voter ID, consenting to their candidate by paper ballot, hand counted.

CERTIFICATION OF SERVICE

I HEREBY CERTIFY that I filed today, Monday, October 28, 2024, at 9:00 p.m. in accordance with Federal Rule of Civil Procedure 11, the foregoing with the Federal Clerk of the Court for the United States District Court, District of New Jersey, via electronic filing, which will send notification of such filing to all parties registered for this case, including the Defendant's counsel via the electronic filing system.

Plaintiff attests to each claim herein stated and reiterates the inclusive claims, inclusive of harms and remedy as set forth in the amended complaint and supplemental submissions with Exhibits so accompanying as set forth in ECF Federal Repository in support of the certified statements of harm herein and in support of the Injunctive Motion with Permanent Restraining Order.

Respectfully submitted,

/s/Mary B. Logan
